PERPETUAL ADORATION CHAPEL

Could you not watch one hour with me?
Chapel Update:

Wed 2-3am is still vacant and there are 79 hours that need a second person.

Please pray for Al Haverty who covered four hours of adoration every week. Due to a stroke he will no longer be able to cover his hours. Several people commit to more than one hour to cover the needs of the Chapel. The trend is for existing adorers to take on more hours rather than for new people to come forward to commit to an hour. Please take the needs of the Chapel to your prayer. Thank you.
