***A Journey with Dante:***

***Between Hell and a Veiled Face (Part II)***

Join us and our speaker, Jorie Roldan, in accompanying Dante on his spiritual/existential journey through Hell (Inferno) and Purgatory (Purgatorio) as he accounts it in his most famous work The Divine Comedy. We will briefly recap Dante's first experience of this journey in Canto I of Inferno. Most of you have likely heard of Dante's Inferno, but in Part 2, we will explore precisely that crucial point on Purgatorio's peak as we unpack the literary and existential elements that illustrate how all Dante's experiences lead up to that part - and for whatever may follow after.
