Acknowledging & Sculpting Our Desire in This Advent Season

St. Paul Parish Centre, Friday, Dec. 1, 8:00 - 10:00 pm

DESIRE permeates our whole human experience! As children of God, our hearts beat with desire... but sometimes our desire can lead us and others into trouble. Does that mean we must strive to eliminate desire as is espoused in Buddhist philosophy? Do the effects of Original Sin on our desire and passions doom us as a people incapable of restoration? Or, in our walk with Jesus, collaborating in his redemptive work, can we live out our desires as God intended?

For the unpacking of these big questions and so much more – come to SPYAC's First Friday event, presented by Father Mark. This one you won't wanna miss. Bring your friends!
