Revised - July 9, 2020

Dear Parishioners,

St. Paul Parish has reopened for 8:00am weekday Masses, with a congregation, on Tuesdays and Thursdays. This schedule will continue until further notice. The Wednesday and Friday Masses will continue to be live streamed on our YouTube channel at www.bit.ly/2UUKzvG

If you would like to attend one of the weekday Masses, you must register beforehand. To do this, call **OR** email the parish office. This booking system is mandatory and is open for all registered parishioners of St. Paul Parish.

Sunday Masses have also reopened with a congregation. The regular Sunday Mass schedule will be in effect: Saturday at 5:00pm; Sunday at 8:00am, 10:00, 12:00pm and 6:30.

The Sunday 10:00am Mass will continue to be live streamed on our Youtube channel.

To attend one of the Sunday Masses, you must register beforehand. To do this, call **OR** email the parish office. Bookings for Sunday Masses begin the Monday before. You cannot book more than one week ahead. You can register every week.

All Masses with a congregation will be limited to no more than 50 persons.

Those registered for **Sunday** Mass must park on the north side of the church.

There will be no access to the washrooms in the church or the parish centre. Please keep this in mind.

If you are not able to be present at a Sunday Mass because registration is maxed out, you will still be able to receive Communion during the first 15 minutes of each Mass time. Those coming for Communion only, must park in the lot behind the school. You will be directed into the gym to receive Communion. Please maintain social distancing at all times! After receiving Communion, go back to your cars and return home.

We are trying to make the environment safe but you will be attending at your own risk. Be sure to keep the pandemic regulation of safe distancing. It is important for individuals and families to take responsibility for protecting themselves and others.

It is recommended that seniors and those with health issues stay home for their own sake and for the sake of the wider community.
